Hi-De-Hi Party

Our fundraiser on the 20th June was great fun and what a fantastic result with £617.82 being raised.

Plenty of good old fashioned entertainment with typical holiday camp games including a lovely buffet to enjoy! Thanks to our entertainers - Kay, Bob and Marianne and of course our wonderful members for supporting the charity and AKS for their help once again.

Thanks you so much everyone.

Good News

We are delighted to inform you that we have two new Patrons for Just Good Friends.

Many of you will already know Graeme McIntyre who is Head of Business Education at AKS and has been a tremendous support to us over many years and also we are very pleased that Andrew Snowden, Conservative MP for Fylde has joined us.

We met up with Andrew on Friday morning at the Fairhaven Lake café when we were able to thank him for becoming one of our patrons.

We welcome them both to our charity and thank them for their support.

Christmas Single No. 1

29th July is the launch of our new Christmas Single No. 1.

It's £15 for a fantastic afternoon of entertainment and a video of what we got up to in April when the very talented Ryan video'd us all.

We also have 3 acts entertaining us on that date starting with Paul Allen, then Marianne and of course our Johnny Roxx.

So get your Christmas gear on again and come and have an amazing amount of fun.

Its on from 1pm till 5pm as we've so much to pack in.

I'm hopeful the Fire Fighters will be popping in too!

AKS Lytham

Reflecting on 10 years with AKS and "Bring Me Sunshine"

Ten years ago, we were invited to AKS by Paul Crouch to join their initiative, Bring Me Sunshine, and we have never looked back.

We have many memories from kind invitations to special occasions and have received a great deal of help and support while working with very talented young people.

A special thanks goes to Graeme McIntyre for his continued guidance and tremendous support.

Bring Me Sunshine began with a natural leader named Molly. She was incredibly inspiring, and we will always be grateful to her for believing in us and making a difference in many of our lives. We are also interested in following the stories of other students.

Now, ten years on, we've found ourselves reflecting on the impact of this journey and the incredible people who've been part of it and we're especially thrilled to see what Molly has gone on to achieve (see her letter). We've always believed she would go far, and it's a joy to still be in touch with her.

We'd love to continue following the journeys of other students who've been part of "Bring Me Sunshine." The legacy of this initiative lives on through each of their stories, and we look forward to discovering where the next chapter leads.

Dear Just Good Friends

While I was at AKS, I founded the Bring Me Sunshine project, which connected pupils and members of JGF.

Since graduating in 2018, staying involved with community work has remained important to me.

- I studied International Hospitality Business Management at École hôtelière de Lausanne (EHL) in Switzerland, where I developed a real interest in travel, innovation, and service.*
- During my time at EHL, I completed two internships — one with Four Seasons in Sydney, Australia, and another with a tech startup in Silicon Valley. Both gave me valuable insight into different sides of the hospitality industry.*
- After university, I joined the IHG development team, which was a great introduction to the hotel world. Now, I work with Marriott International in their Development team. My role involves finding new hotel opportunities across all Marriott brands, working with local councils, private investors, family offices, and banks around the UK. It's rewarding work — helping bring new hotels to towns and cities, creating local jobs, and supporting communities to drive tourism.*
- I've had the chance to work internationally — visiting Kenya, UAE, Hungary, Malta, Germany, and more — scouting new projects and helping Marriott grow its portfolio.*

Outside of work, I enjoy experiencing new cultures through travel and spending time with friends playing netball and tennis.

All the best to all members of Just Good Friends, see you soon! Molly

Thank you so much to the anonymous donor who has gifted the sum of £20,000 to Just Good Friends.

This person is aware that one of our wishes is to have a place of our own - perhaps a café which could be self funding, where we can also have an office, hold meetings and hopefully hold our own events etc..

Our dream has never faded and we continue to hold it in our hearts, but with such kind donations as this, we are confident that we can start to build our fund.

Thank you so much to this wonderful person.

THE 75+ CLUB DRAW

There was no Club Draw in June and no Just God Raffle.

Both these items will return next month as normal.

We have always been pleased to have the support of the Police and are delighted when they pop into the Palace on a Wednesday to see how we are doing.

Recently we met Harrison and were pleased to wish him luck in his new role as a Police Officer.

It's good to know we are all in safe hands.

We often think of you

We know some of our lovely members who have been faithful to Just Good Friends for many years are no longer able to attend meetings and social events.

We really want you to know that we miss you but just because we don't see you as often as we used to, you are so often in our thoughts and, from the chats we sometimes have with you, it makes us happy knowing that you still keep up with our group by reading the Newsletter or our website.

However, we recognise that some people don't have access to today's technology and clearly won't be reading this comment.

if you know of anyone to whom this applies perhaps you would kindly let us know as we would be glad to add them to our list of those who receive hard copies of the Newsletter.

Thank you so much - we never know when this could happen to us do we and often just looking at pictures and reading of friends can brighten our day and make us smile.
